Desired employment / Occupational field

Work experience

Dates	2021 - 2023
Occupation or position held	Trainer, Lecturer, Author
Main activities and responsibilities	“Educate and Support” - Holistic educational support for sex offenders in the EU The project aims to reduce the likelihood of recidivism and promote effective reintegration into society. The activities are designed to lead to the creation of a concrete psycho-educational intervention programme that responds to the needs of prisoners - sex offenders, focusing on a holistic intervention and rehabilitation approach. KA220-ADU-58B1C374 https://educateandsupportforinmates.eu/
Name and address of employer	Family and Couple Therapy Association Timisoara
Type of business or sector	Psychology, Psychotherapy, Counselling, Training
Dates	2018 - 2021
Occupation or position held	Trainer, Lecturer
Main activities and responsibilities	“SINE – Special Intimacy Needs Educator: Assisting differently abled people with the improvement of their emotional and sexual needs”, Erasmus+ Strategic Partnership Project The project aims to the objective of contributing to public debate and political policies that address the fact that people with disabilities are individuals with needs, desires and sentimental and sexual sensations. With the training of specific assistance in this context (and recognized and validated across Europe) the project wants also to improve general health and psychological wellbeing of people with disabilities. With open expression about affectivity, sexuality and positive sexual or sensual experiences, people usually feel better, have a better self-image, they become emotionally stronger, are less vulnerable to sexual violence and are sometimes able to reduce medication. 2018-1-LV01-KA204-046973-P4 https://www.specialintimacy.eu/

(*) [Common European Framework of Reference for Languages](#)

Social skills and competences Interpersonal and communication skills, ability to express orally and in writing very good (in Romanian, German and English) acquired through training (psychology and psychotherapy), through the work as human resources psychologist (management of personnel recruitment and selection projects and organizational consulting), and not least through the work as university teacher (through teaching and training students), and organizing national and international scientific events in the field of psychology. Strategic and analytical thinking gained through education, training and work as experienced organizer of various scientific events and HR project manager.
 Team spirit - I worked in national and multinational teams as researcher, psychologist, project leader, project assistant manager.

Organisational skills and competences Since 2006 I organized, as main organizer, programs and events of national and international scientific reference in the field of psychology.
 I led / organized project teams in human resources, organizational consulting, and POSDRU project implementation.
 I made a new website of the Faculty of Psychology; also I represented it on social platforms (Facebook, Twitter).
 I initiated an image change of the faculty by creating a new visual identity (logo, flyers and posters) and a new approach for attracting new students.
 I initiated a mentoring program for first year students of the Faculty of Psychology.
 I created the Student's Guide to Psychology, published yearly.
 I conceive the hours' schedule of lectures, seminars and laboratories for the Faculty of Psychology.
 Currently I am working on the design and delivery of webinars for faculty and students in order to increase public awareness regarding quality of service (professionalism, competence, contemporary) offered by the "Tibiscus" and thus to attract potential candidates (bachelor, master programs).

Technical skills and competences	<p>Technical skills acquired through training on technical basis (high school and two years of study in a mechanics faculty), but also through technical inclined hobbies</p> <p>Research skills in psychology</p> <p>As university teacher and along doctoral studies I have done empirical and applied research in Romania and published and presented research findings at various national and international conferences that I attended. During doctoral studies, I attended courses in psychology research methods. Since 2010, as a lecturer, I coordinate studies and researches published in specialized publications.</p> <p>As the organizer and / or project manager I have designed the schedules, I held preparatory meetings, and I got involved in the creation and finalizing the products (European project guides and materials, guides for students, scientific publications).</p>																
Computer skills and competences	MS Windows, MS Office, Internet, Email, PC-Hardware – advanced level																
Artistic skills and competences	<p>I organized and managed teams as an expert for the Good practices Guide, and as assistant coordinator of the European Training Partnership for an inclusive society project (Project ID 59820). I am a certified trainer (trainer of trainers) by the Ministry of Labor, Family and Social Affairs, and the Ministry of Education, Research and Innovation.</p> <p>Member of the College of Psychologists of Romania since 2006, in the field of work and organizational psychology.</p> <p>Psychological testing and evaluation special interview techniques in HR and psychotherapy, negotiation techniques.</p>
